SCENE.

I heard something

I'm certain I heard it...

I don't hear anything.

What, is there some good booze down there?

What did it sound like?

"Some-thing"?

She says she heard something...

Excuse me...

Oh, yes.
You do hear these all over the place.
I'm going to go play some billiards now, are you coming?
Nah, I think I'll head back to my room.

I appreciate the concern.

Don't get that suit dirty.

It's a good one.

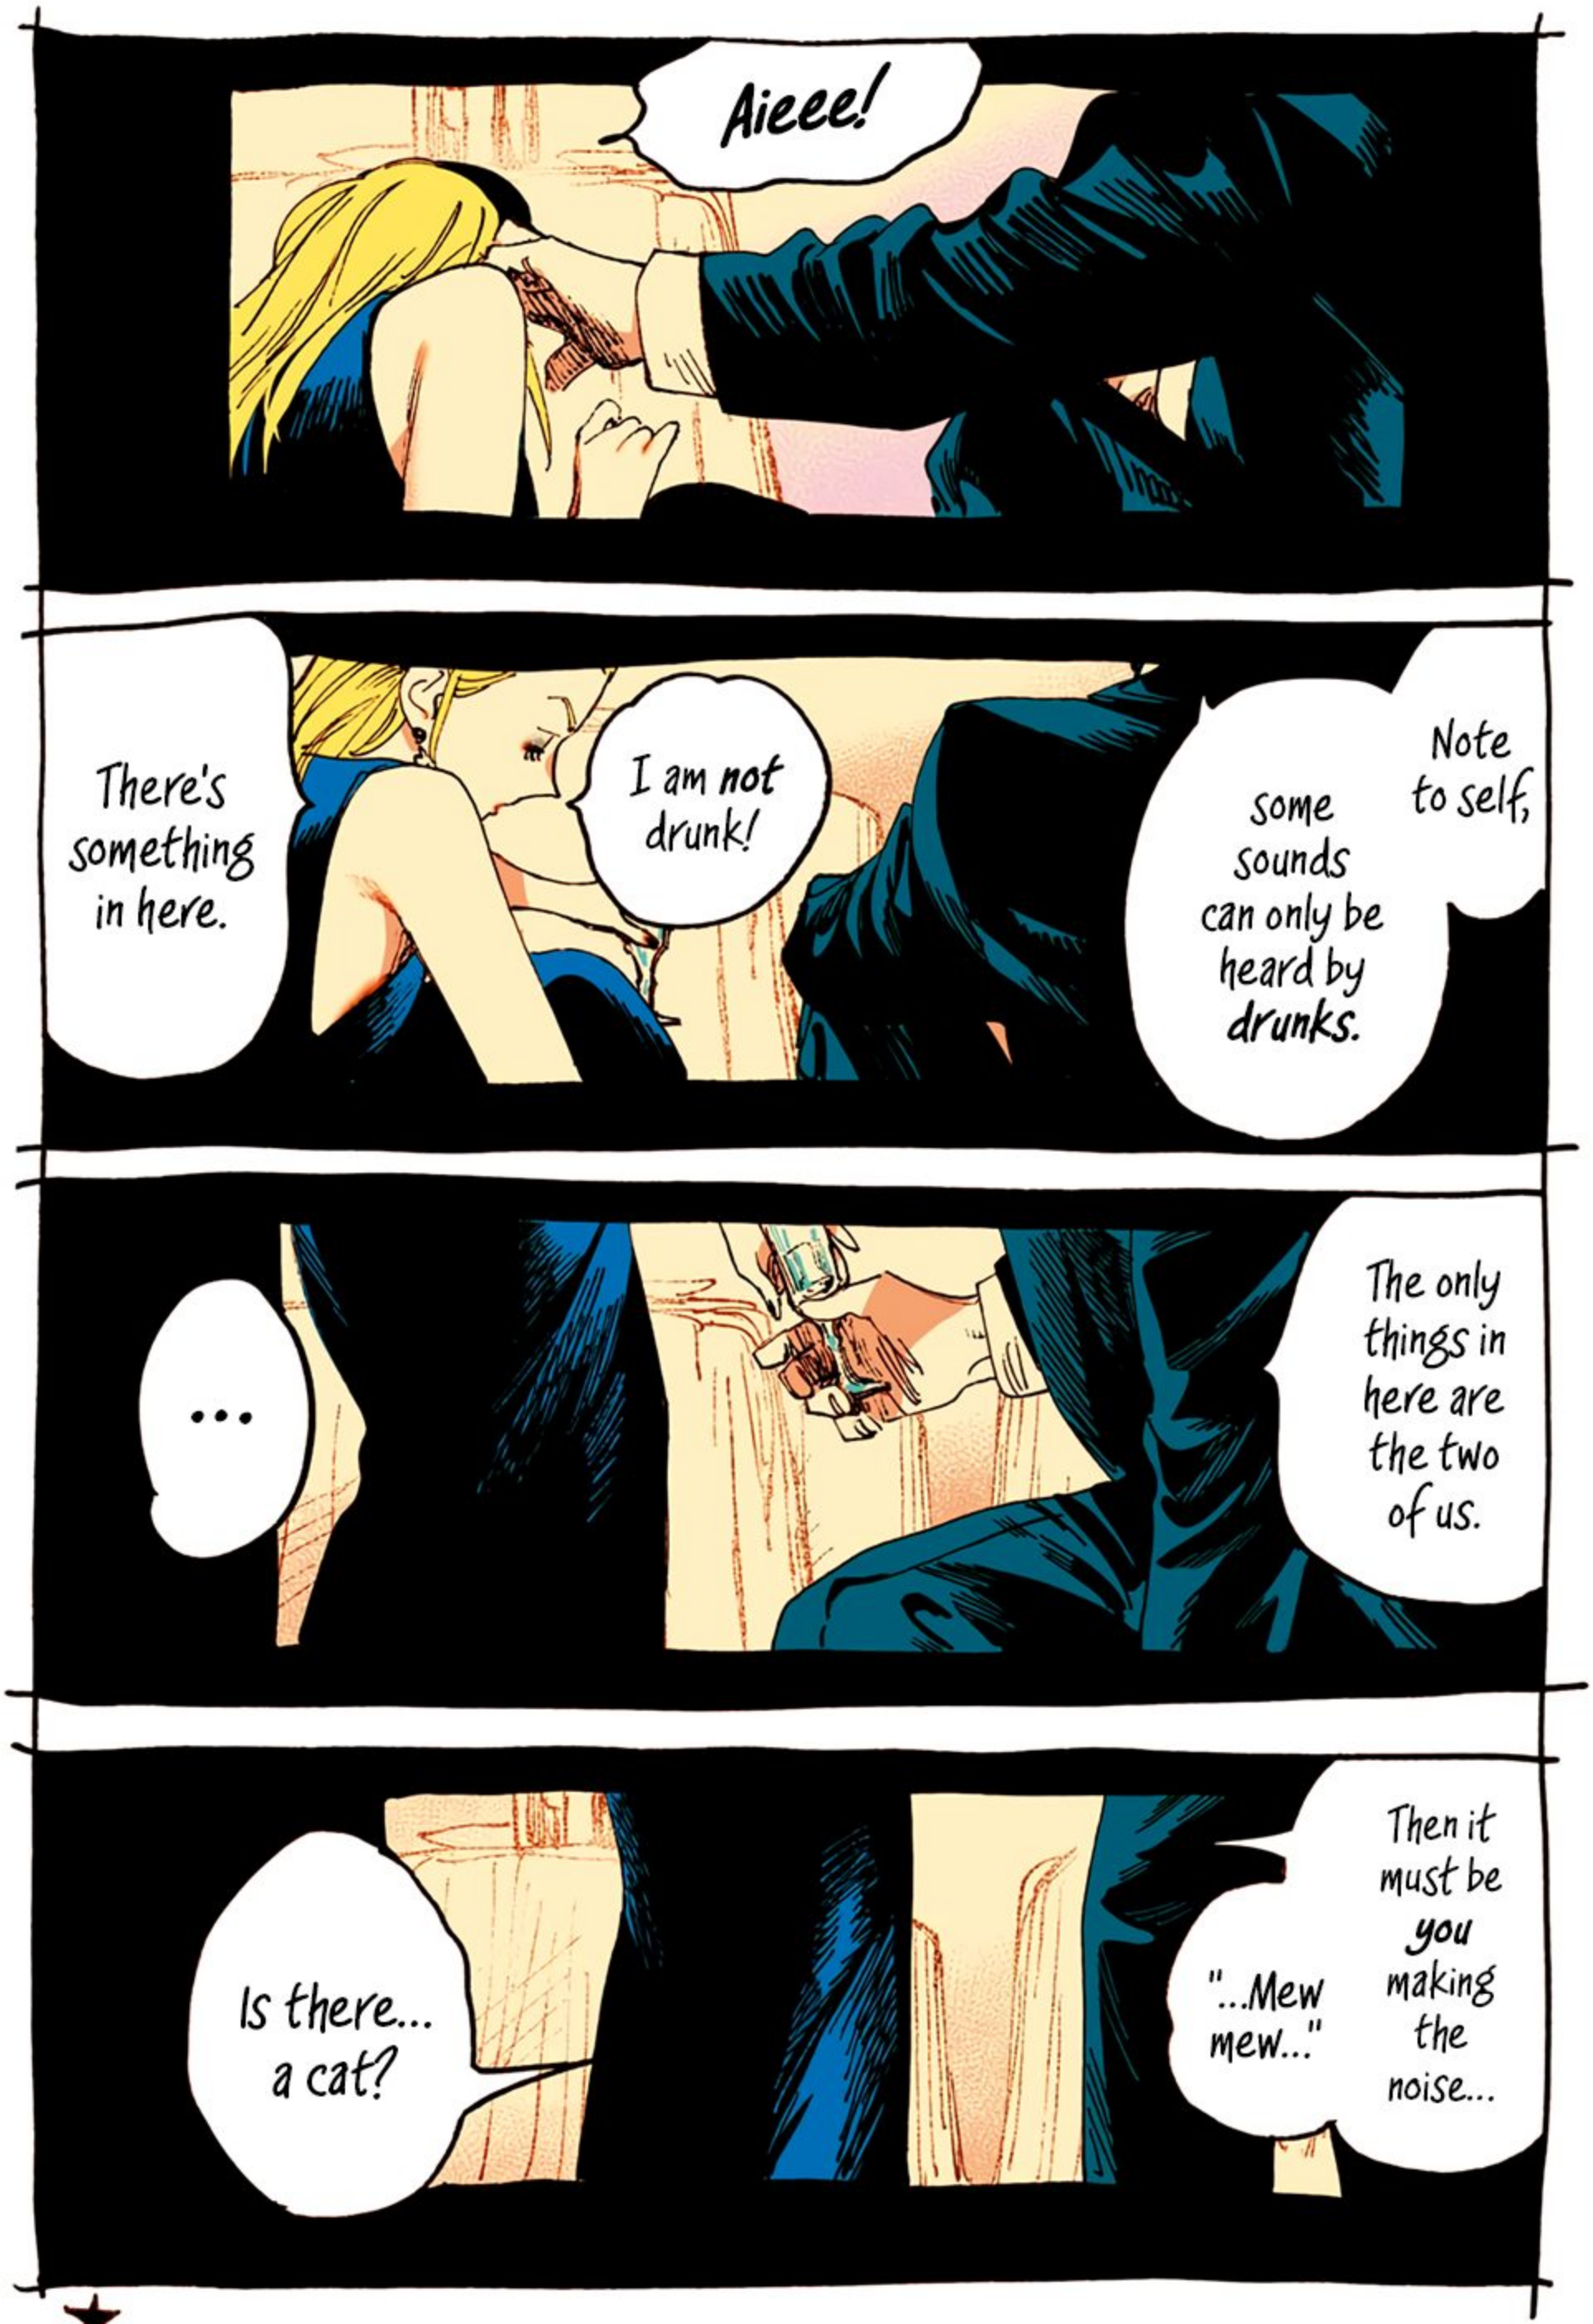
There!

I heard it again.

I think you might just need more ear-holes.

Oh, my...

If only you could lend me those ears.



Aieee!
There's something in here.
I am not drunk!
Note to self, some sounds can only be heard by drunks.
...
The only things in here are the two of us.
Is there... a cat?
"...Mew mew..."
Then it must be you making the noise...
